

## Jeremiah Tells God's Words

Jeremiah 36

***This is Jeremiah. Can you say, “Jeremiah”?*** (Everyone says “Jeremiah”)

***Jeremiah told people God’s words.***

***Jeremiah would say the words out loud and his friend would write God’s words down on paper.***

***Let’s all pretend to write God’s words too.*** (Everyone pretends to write)

***The king did not want to hear God's words. God's words made the king mad!***

***Show me a mad face.*** (Everyone makes mad face)

***The king didn't want anyone else to read God's words so he tore up the papers and threw them in the fire.***

***Can you say, "Oh no"?*** (Everyone says "Oh no!")

***God didn't let the king stop his words.***

***God told Jeremiah and others to write*** (pretend to write) ***down His words and put them in the Bible*** (make book with hands). ***All the words we read in the Bible are GOD'S*** (point up) ***words!***

***Let's say that together:***

***The Bible*** (make book with hands)

***Is God's*** (point up)

***Word!*** (cup hands around mouth)
