

God's Family Grows

Acts 28-Jude 25

Paul (point to Paul) **and his friends loved Jesus** (point up) **very much.**

Everywhere they went, they would tell (cup hands around mouth) **people about Jesus.**

Can you say “Jesus” like Paul & his friends?

(Everyone says “Jesus”)

Paul and his friends wrote (pretend to write) ***letters to the people in God's family.***

These letters helped them know about WHO God is and HOW He wants us to live!

When a letter came, God's family would READ it over and over again.

Let's pretend to read!

(Everyone makes book with hands and pretends to look at it)

All the letters Paul and his friends wrote were put into the Bible!

Now you (point to kids) ***and I*** (point to self) ***can read the Bible, too!***

Let's say this together:

I (thumbs to chest)

Can Read (make binoculars)

The Bible! (make book with hands)
