

Prayer and fasting are fundamental to our faith as we endeavor to be transformed into the likeness of Christ. Scripture teaches that somethings are only possible with both prayer and fasting (Matthew 17:21). As we begin a new year, we encourage you to focus your hearts and your lives on the will of the Father. For the next 40 days, we will join together as a body of Christ and pray targeted prayers for our own spiritual growth, for our community, for our church, and for our government.

Please remember to fast and pray on the day you volunteered. If you did not volunteer, you can join us in prayer and fasting on any day you'd like. Enter into prayer and fasting with expectation and anticipation to move the heart of God. The effective, fervent prayer of a righteous man avails much (James 5:16).

Thank you for your spiritual commitment and your willingness to pray and fast with us.

I signed up to pray and fast on the following date(s): _____
